\$15,000 DAMAGES

ASKED BY JONES ANDERSON IN SUIT FOR SLANDER

Unusual Case on Docket of Lincoln Circuit Court Which Convenes Here Next Monday

One of the most unusual suits brought in Lincoln county in a long time has been filed in the office of Circuit Clerk M. C. Newland here and will come to trial at the November term of the Lincoln circuit court which begins here next Monday. It is an action for \$15,000 damages brought by Jones L. Anderson, of the Preachersville section, against Mrs. Eliza Herring, wife of Fisher Herring, a prominent farmer just over the Garrard county line, on the Crab Orchard pike. Mrs. Herring is close relative of Mr. Anderson. In his suit, Mr. Anderson asks for \$15,000 damages, charging that Mrs. Herring "falsely and maliciously spoke" of him, using such language as to charge him with "grand larceny and with being a felon." A prominent array of attorneys has been engaged on each side and the suit will undoubtedly be hard fought, not only on account of the prominence of the parties but on account of the unusual nature of the action. Attorneys P. M. McRoberts, of Stanford and L. L. Walker, of Lancaster, brought the suit for Mr. Anderson, and it is understood that Attorneys K. S. Alcorn, of Stanford, and J. E. Robinson, of Lancaster, have been engaged to represent the defendant.

Suit for \$25,000 damages has been brought against the L. & N. railroad, for the death of Mrs. Margaret Deatherage, who was killed by an engine at the Rowland crossing several months ago. The suit is brought in the name of Alfred Deatherage by Attorneys H. C. Faulkner and Son and W. A. Stanfill, of Hazard. The charge is made in the petition that the engine which struck Mrs. Deatherage, an aged woman, did not ring its bell or blow the whistle for the crossing.

The number of civil suits filed at the present term is unusually large, and of varied interest. E. F. Spears & Sons, the hemp buyers of Paris, through Attorney J. S. Owsley have brought suit against James McCormack and J. S. and A. W. Holtzclaw, charging violation of contract to sell hemp to them. The number of suits for divorce is also unusually large.

An interesting suit in colored circles of Stanford is the suit of Edmond Lillard, Marie Hiatt, Babe Lillard and Martha Lillard against Dr. W. D. Tardif for \$100 damages for keeping them out of possession of a house and lot they own on Waterworks street, and which he occupies. T. J. Hill, Jr., is their lawyer.

It is expected that court, which opens Monday, will be adjourned until Wednesday, on account of Tuesday being election day.

WAYNE MEN BLOWN UP

J. E. Crose and James Edwards, oil well shooters from Monticello, were blown to atoms Wednesday morning by an explosion of 300 quarts of nitroglycerine. The accident occurred in the Estill county oil field, near Estill Springs, as the men were preparing to move the explosive from Sweet Lick to the Furnace lease. They had formerly been at work in Wayne county and were employed in the Estill county field only five days. Crose leaves a wife and five children at Monticello. Edwards was unmarried.

DAN TRAYLOR SELLS FARM

Dan Traylor this week sold his farm on the Dudderar's Mill pike, about two miles, northeast of Stanford, to Elias Kidd, of Liberty, for \$12,000. There are 75 acres in the tract, most of which is very high class, bottom land. This farm is known as the old Ammons farm. Mr. Kidd will get possession about Jan. 1st, before which time Mr. Traylor will have a sale of his livestock, etc.

SEWING CIRCLE ENTERTAINED

The Young Ladies Sewing Circle was entertained by Mrs. Carl Carter on Thursday afternoon at the St. Asaph Hotel. Delightful refreshments were served and the afternoon was indeed a very enjoyable one. Those present were: Mrs. James H. Wright, Mrs. Harry Hill, Mrs. W. R. Todd, Mrs. C. Hays Foster, Mrs. E. C. Walton, Mrs. B. D. Carter, Miss Kate Davis Raney, Miss Lottie Carson and Miss Anna Davis McRoberts.

FORMER LINCOLNITE KILLED

Mrs. J. T. Bingaman received news this week of the death of her brother, Thomas A. Coulter, which occurred at Tulsa, Okla., as a result of an accident, he having been run over by a wagon. The deceased formerly lived in Lincoln and was also a brother of Judge G. W. Coulter, of Danville. He lived at the Murphy place while a resident of Lincoln years ago. His daughter, Mrs. George Vaughn lives in Lexington.

HALLOWE'EN PARTY

The Methodist parsonage was the scene of a Hallowe'en party Tuesday night, attended by a good number of the members, each bringing a donation of substantial good things for the pantry. The preacher and family are very grateful for this token of good will.

Which Way Will You Vote Next Tuesday?

The WILSON WAY Means Peace

The HUGHES WAY Means War

The Wilson Way

Around 20,000,000 happy firesides the fathers of America will gather this night with their unbroken family circle, with their children upon their knees and their wives by their side, happy and prosperous. Contrast this with the fathers, husbands and brothers of the Old World dying in the ditches, with the gloom and mourning in broken family circles, where hunger crouches and disease treads. If this be "evil and vacillating," God prosper it and teach it to the rulers of the old World.

—Hon. Ollie M. James, at St. Louis Convention.

To Get Election Returns

Result of Presidential Race To Be Told at Opera House

So much interest is being expressed in the result of the general election over the nation next Tuesday that the I. J. will hold its next issue Tuesday, until after the polls close, and an idea can be obtained as to who has been elected president. Four years ago the I. J. was the first newspaper in this section to go out with news of Wilson's election. It will endeavor to come out early Wednesday morning with the full and final result, catching the early morning trains and rural routes out of Stanford.

Election returns will be obtained from the Courier-Journal News Bureau Tuesday night, and will be made public that night at the Stanford opera house to all who are present. The regular Paramount picture show will be given also, the picture being Hazel Dawn in "The Sales Slides showing results in various states and bulletins as fast as they are received will be thrown on the canvas between pictures, or as rapidly as the returns come in. This will be the only place where election returns will be given out in Stanford. Manager Foster has made an exceptionally low charge for admission, 25 cents admitting to both the picture show and election returns. It is expected that a large number from Stanford and surrounding towns will be on hand to hear the returns and take in the show. There will be no reserved seats, but a general admission of 25 cents to all will be charged.

MISS IDA GRANT DEAD

Her many friends here were grieved to learn of the death of Miss Ida Grant at Lancaster Thursday morning. Miss Grant has been correspondent to the I. J. since the death of her sister, Miss Lou Grant a few months ago. She had been in failing health for some time. Miss Grant was a consistent Christian, a member of one of Garrard's oldest and most prominent families and beloved by all who knew her. She is survived by one sister, Miss Lelia Grant and one brother, H. M. Grant.

Stella Douglas, 18, a Clark county girl, was killed by a C. & O. train near Ashland.

Flood Of Oratory

Closes Campaign In Lincoln—Franks And Speer Speak Here

The presidential campaign in Lincoln is closing with a flood of oratory this week. The feature of the campaign as far as the republicans are concerned was the speech made at the courthouse here Thursday night by Hon. E. T. Franks, of Owingsboro. Mr. Franks is one of the big men of the party in Kentucky, and a very persuasive and convincing speaker, if one is not familiar with the other side of the question. He was greeted by a good sized crowd, in which the colored brother largely predominated, and he stirred them up considerably with his perorific style of oratory.

Bank Commissioner George Speer, of Frankfort, delivered a splendid speech on behalf of the Democratic ticket at Crab Orchard Wednesday afternoon. He was introduced by H. G. Skiles and made a telling argument. One of the best night crowds of the campaign was at King's Mountain Thursday night where Judge Hardin and Hon. C. C. Bagby, of Danville, spoke to the Woodrow Wilson Club, which is working enthusiastically, led by Dr. C. M. Thompson. This club has in its membership a number who have hitherto always voted the republican ticket, and they claim that King's Mountain will roll up an unusual democratic majority next Tuesday.

Every thing is in readiness for the battle of the ballots next Tuesday. The ballots have been printed and delivered and if the weather continues good, an unusually large vote is anticipated. Returns from Lincoln county, Kentucky and the nation will be received at the Stanford opera house that evening, and it is possible that it will be known who is elected president before midnight.

The Hughes-Roosevelt Way

What Roosevelt Would Do As Secretary of War and Dictator to Hughes

"I have been asked what I would have done if I had been President when the Lusitania was torpedoed," shouted the speaker. "I would instantly have taken possession of every German ship interned in this country, and then I would have said: 'Now, we will discuss, not what you will give, but what we will give back.'"—Theodore Roosevelt in a speech at Battle Creek, October 2, 1913.

Miss Barbour's Lecture

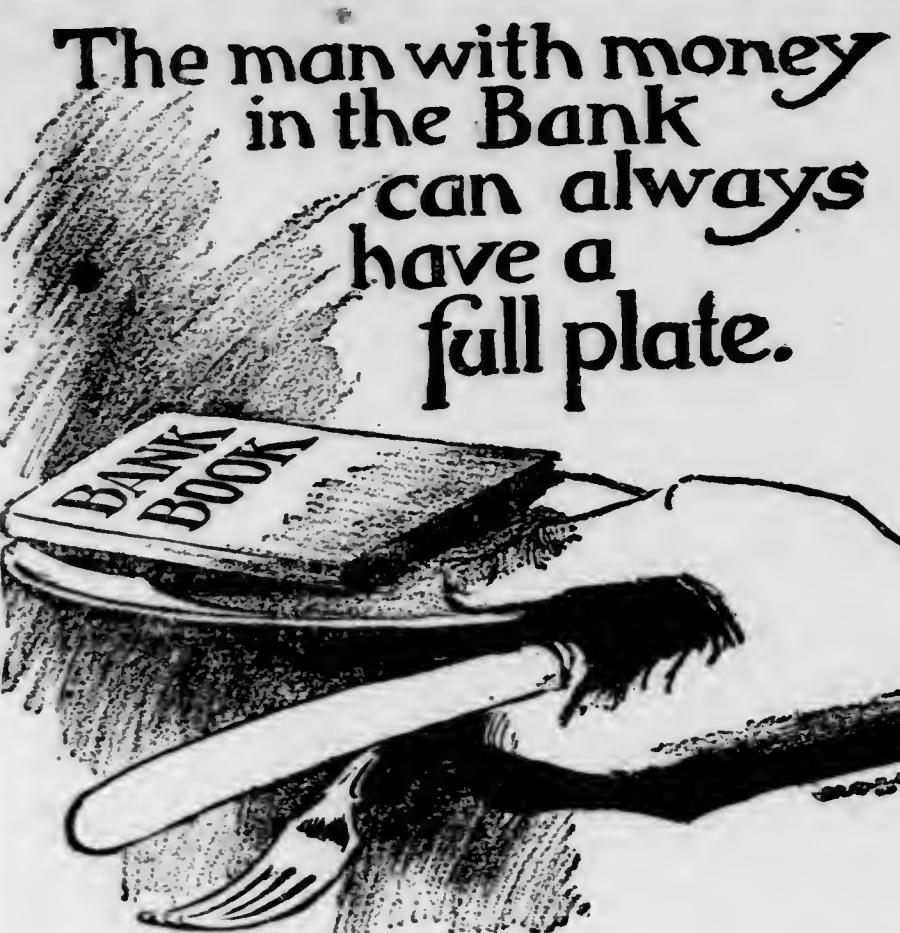

Those who had the privilege of hearing Miss Barbour's stereopticon lecture on "Musical Vienna," last Friday evening regret very much that owing to the failure of the machine to operate properly, she could give only a part of the program. The pictures were indeed beautiful and her lecture was full of good things which she told in a charming manner. Many who heard her asked for a return date and it is hoped it can be arranged some time in the near future.

CITY COUNCIL BEATS HOP LICENSE CHANGE

At the regular meeting of the City Council Thursday evening, an ordinance offered by Councilman O'Bannon and read by City Attorney Hill proposing to classify licenses for soft drinks, so that those who are non-alcoholic drinks shall pay a license fee of \$5 a year and alcoholic drinks, \$1,200 a year, to become effective January 1st, was amended by Councilman Hocker so that the status of the soft drink proprietors whose licenses have considerable longer to run shall not be changed. The vote on the Hocker amendment was 5 to 1, Councilman W. B. Hill being the only one to vote against it. Mayor Florence then put the original ordinance, the vote on which was a tie, Councilmen O'Bannon, W. B. Hill and Rupley voting for it and Councilmen Reinhardt and Harry Hill opposing it. Mayor Florence broke the tie by voting against it. The recommendation of the street committee that a contract be made with the Woodard construction firm for rock for the city streets was deferred until an adjourned meeting to-night, when the matter will be threshed out. J. R. Powell, of this city, is also desirous of taking up the rock contract matter with the city.

Varnon, substitute police judge of the city of Asheville, has tendered his resignation to the board of city commissioners and he will enter a law partnership, effective November 1, with Zebulon F. Curtis. Mr. Varnon is a graduate of the law school of Washington and Lee university and has been engaged in the practice of law here for the past four years.

MISS BURCH REPORTS D. A. R. CONVENTION

Miss Esther Burch, regent of Logan-Whitley chapter of this city, returned late last week from Louisville where she attended all the sessions of the 20th annual convention of the State Daughters of the American Revolution. All meetings and entertainments were held at the Seelbach Hotel. The conference was opened with all national and state officers on the platform, after a few strains of music, the salute to the flag was given, then the gavel fell and all were seated.

A splendid program was carried out, a number of excellent addresses were given, among them was Mr. Ballard Thruston, Past President General, Sons of the Revolution. So splendid are his addresses that we asked him for a copy of one, "The Evolution of the Flag."

Mrs. E. G. Boone of Paducah, the state regent, presided with unusual dignity, grace, ability and tact. She made friends of all present. She was re-elected state regent; Mrs. Shackson, of Frankfort, was made vice regent, and Miss Blackburn, of Bowling Green was nominated for vice president general from Kentucky, to be acted upon by Continental congress in April.

Pledges were made to help clear the debt on Continental Memorial Hall at Washington, a magnificent structure owned by the Daughters of the American Revolution; also for educational work in illiterate moun-

tain districts of Kentucky.

State, Chapter and Committee reports were most interesting. The Logan-Whitley Chapter of Stanford, although just a year old, had done more work than some others much older, but we must do much more.

Members of our chapter are now serving on national and state committees, one of our number was made Mrs. Glare's appointee as she could not be present.

The social features of the conference were among the most brilliant in the history of Kentucky society, the papers say. They were indeed delightful. A reception by the Publicity League and one by the Sons of the American Revolution, and two luncheons by the two Louisville Chapters, were the social functions enjoyed by all the Daughters. Among the guests from other states were: Mrs. Wilde, of Peoria, Ill., president of Daughters of 1812; Mrs. Maupin, vice-president general from Virginia; Mrs. Serpell, state regent from Virginia; Mrs. Squires, of Minnesota, and Mrs. Guernsey, of Kansas, candidates for president general of the national society. These and the state officers and visitors were most charming and it was indeed a wonderful privilege to have been there.—Contributed.

WILSON'S MARRIED LIFE

Response To Slanders Being Circulated Against Him

The New York Times secured for publication an intimate personal sketch of Woodrow Wilson, the man, written by Professor Stockton Axson, whose sister, Ellen Louise Axson, was the President's first wife. Professor Axson not only had close personal relations with the President for thirty-five years, but served under him when Mr. Wilson was president of the Princeton University. Following are a few extracts from Professor Axson's article relating to the home and marriage life:

"It is hard for me to speak in moderate terms of the beauty of the Wilsons' married life—that married life which I saw so intimately for more than twenty-five years***In the long years of his and my sister's life together, they were more completely one than any two people with whom I have been thrown into intimate contact.***We often hear it said of a married pair—so often that it has become a sort of bromide—'A cross word never passed between that couple. I have been honestly trying to think if I ever heard anything approaching an altercation between Mr. and Mrs. Wilson, and I can not recall even a shadow of such. And yet these were no weaklings; but two spirited people, each with a power of conviction possible only to very strong characters. They would sometimes differ in their opinions, but their relationship was so rooted in mutual love and loyalty that their differences were casual and superficial, never fundamental.***I have sometimes wondered how a family composed of varying and very positive elements ever contrived to live in such absolute and undisturbed harmony as did the Wilson family, and I come to the conclusion that such a result can be attained only in one way, by any prescription, or plan or domestic 'scheme' of action, but only enthralling love supreme—that where love is master, every day and every hour, there must be harmony. In the Wilson household love is always law.***

"Only a few of us know what Woodrow Wilson was really undergoing in the summer and autumn of 1914, when the world was catching fire from war, and the foundations of his own life were crumbling under him. Just as the war opened my sister died, 'I can not help thinking,' he said, 'that perhaps she was taken so that she might be spared the spectacle of some awful calamity.'

"I was at the White House a great deal that autumn and I know that it is no exaggerated use of words to say that he was the loneliest man in all the world.***I can see the lonely figure of the President now, walking down the long hallway, the hair so much whitened in the few months. His intimate friends often expressed to me the wish that the President could marry again as he was so utterly desolate.

"We who know him feel that God himself must have directed the circumstances which brought Mrs. Galt into the White House circle. But for her we can only surmise what might have happened, for not even the strongest man in the world could bear up indefinitely under that dumb grief. Sunlight and grace radiate from Mrs. Galt. Her nature is big and generous and health-giving, and in that presence the President found new life, found that love without which he can not live. Their love for each other is perfect, and we all love her, both for what she has done for him and for herself, for to know her is to love her.

"She has entered this great career as simply, as unaffectedly, as unselfishly as Ellen Axson entered into the obscure career of a young lawyer who was abandoning law for a new and untried life of scholarship and teaching. To neither woman has condition, high or low, meant anything to Woodrow Wilson has meant all."

SAVES DAUGHTER

Advice of Mother no Doubt Prevents Daughter's Untimely End.

Ready, Ky.—"I was not able to do anything for nearly six months," writes Mrs. Laura Bratcher, of this place, "and was down in bed for three months."

I cannot tell you how I suffered with my head, and with nervousness and wanly troubles.

Our family doctor told my husband he could not do me any good, and he had to give it up. We tried another doctor, but he did not help me.

At last, my mother advised me to take Cardui, the woman's tonic. I thought it was no use for I was nearly dead and nothing seemed to do me any good. But I took eleven bottles, and now I am able to do all of my work and my own washing.

I think Cardui is the best medicine in the world. My weight has increased, and I look the picture of health."

If you suffer from any of the ailments peculiar to women, get a bottle of Cardui today. Delay is dangerous. We know it will help you, for it has helped so many thousands of other weak women in the past 50 years.

Heard About Town

The New York Sun in a recent issue carried the following of interest to the many friends of Sam W. Menefee, eldest son of Mr. and Mrs. J. N. Menefee, of Stanford:

"Backfiring"

Sam W. Menefee, branch manager of the Anderson Electric Car Company, has appointed Robert Craighead manager of the Detroit Electric branch in Bridgeport, Conn. Before going into the electric field Craighead was the best Bible salesman in the world. He sold de luxe editions to some of the best families.

Before Craighead assumed his new duties, Menefee drew him to one side and said:

"Craighead, I had a dream about you the other night. I dreamed that I had reached the pearly gates when an attendant wanted to know why I thought I ought to enter. I promptly told him how I had tried to do good in the world and recalled a few of my kindly acts. Thereupon he looked into a big book, shook his head doubtfully and said:

"Yes, Menefee, you have done some good in the world, but these things you speak of are offset by one terrible thing. You persuaded the best Bible salesman in the world to give up this highly spiritual work to go into the automobile business. What have you to say about that? What are automobiles compared to Bibles in the final reckoning?"

"He had me stumped for a minute, Craighead, but I soon gathered my wits and replied: 'But you don't understand what I did for Bridgeport by putting Craighead there. Before he went to Bridgeport one could not find true happiness in many of the families. There was discord here and there because members of certain families did not know how to enjoy themselves in the open air. They couldn't find any one thing that all could thoroughly enjoy. But Craighead introduced them to the Detroit Electric and showed them how."

"A glance at the attendant convinced me I had won my point. He smiled as he opened the gate and said: 'You may enter. I was going to send you a long, long way from here. Although you did ruin the best Bible salesman I realize the great thing you did for Bridgeport. I have been worried about Bridgeport."

\$3,000 FOR LOSS OF SON

Dr. J. A. Phelps, of High Bridge, was given judgment for \$3,000 as damages against the Louisville & Nashville Railroad Company for the death of his son, Clem Phelps. The suit was for \$25,000, and was tried at Richmond. Young Phelps was riding an L. & N. train and when near Richmond the car gave a sudden lurch, throwing him against the window. His head went through the broken pane, resulting in cuts from which he bled to death before medical attention could be given him.

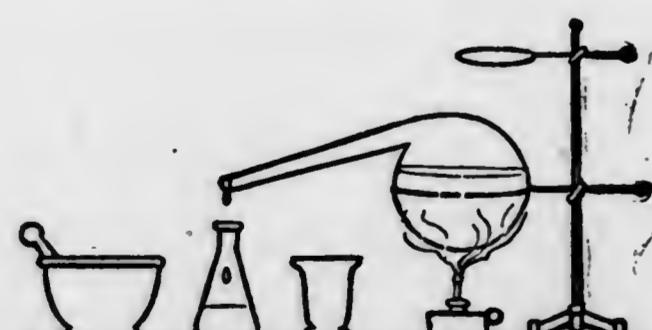

"TURKEY TOM" AGAIN

"Turkey Tom" Gooch, of McKinney, is making preparations to buy turkeys for the local firm of Northcott & Tudor, again this year. He will pay top prices, as usual. The turkey crop is reported to be exceptionally good around here this fall, but owing to the high cost of other meats, unusually high prices will probably be paid for good birds.

HERE'S SMILE OF PERFECT HEALTH

This Man Was Rheumatic Cripple Five Years.

FINDS STRENGTH NEW WAY

John Lands, Victim of Chronic Stomach Weakness, and Generally Run Down Constitution, Tells How He Won New Vigor—Now Hale and Hearty, Enjoys Life to Limit.

Can YOU smile like this? Hearty, jolly, contented—it's the smile of perfect health. It comes from bounding red blood, joy in living, the vim and vigor of sound manhood.

How long since YOU have smiled like this. Be honest with yourself. Do you face the mirror in the morning with cheery pleasure over another day born, or do you get up tired, droopy and weary, with a bad taste in your mouth, aches in your body and bones, and a grumpy feeling against all the world in your heart? If the latter, then you need just what John Lands needed—and found.

John Lands is the John Lands—His Smile picture. He is a machinist and lives at 712 Freeman avenue, Cincinnati. It is the experience he has been through that makes him smile today.

Hobbled on Crutches.

For five years John Lands has suffered from a weak stomach and kidney trouble. Rheumatism set in and at times made him virtually a cripple. He had to hobble around on crutches for weeks at a time, laying off from his work, losing time and money, suffering agony.

"I have taken fully a hundred different kinds of medicine to relieve my condition during the last five years," he said. "But nothing seemed to do me any real good. Food would lie heavy on my stomach and I had to take cathartics constantly. Then I had an extremely bad case of rheumatism. Once I had to lay off work for four months. I had to use crutches a good many weeks at a time.

"Look at me now! I am Hale and hearty and enjoy life to the limit. I am in full possession again of all my natural vigor."

Tanlac Did It.

"What did it? Tanlac, the wonder full new tonic and system purifier. It is one hundred per cent efficient. No medicine I ever took has done for me one-tenth of what Tanlac has done. Ask any of my friends who have seen me daily. They will tell you the same thing. This Tanlac is positively marvelous."

Tanlac is sold exclusively in Stanford at The Penny Drug Store, E. R. Coleman, proprietor.

Tanlac can now be obtained in following nearby cities: Moreland, Abraham Minks, Hustonville, Adams Bros.; McKinney, True & Co.; Ellensburg, W. C. Bryant; Crab Orchard, Lyne Bros.; Brodhead, John Robbins; Lancaster, R. E. McRoberts; Bee Lick, J. Reynolds & Son; Waynesburg, W. A. Horton.

A Mother In Israel

Was Called To Her Reward
When Mrs. Young Died

Highland, Nov. 3. All the people in and around Highland were made sad Sunday afternoon about four o'clock, when it was quietly whispered that "Aunt" Ruhamé Young had passed away. Mrs. Young had been sick for over a year but had only been confined to her bed about two months. She was just 71 years old but has been very active all of her life, even making her garden and keeping up her household duties till the past season. Mrs. Young was the widow of the Nelson Young, a Union soldier, who preceded her to the grave many years ago. She is survived by two daughters, Mrs. Rilla Chestnut, who has made her home with her for years, and whose devotion to her mother in her helpless days was all that could be asked for by any mother, and the other daughter, Mrs. Emeline Young, who lives near her. She is also survived by three grandchildren, Mr. Ben Chestnut, of Somerset, Mrs. K. L. McGuffey and Mrs. J. E. Young, of this place, and five great-grandchildren. The way these granddaughters forsook their homes and stood by their mother in a tireless devotion to their aged grandmother, who had given them a home in youth is very commendable. Also the many friends and relatives in her well days did not forsake her in her dark days. It can be truthfully said that there was never any one who had more company in sickness. Aunt Ruhamé's home was like a public stopping place. People for miles around were in the habit of stopping in for awhile in passing, because they always received such a hearty welcome. Most any Sunday afternoon in good weather you could find the porch filled with women and the yard well filled with men, boys and children. Although there were no men folks lived there, she had so many relatives that you would find as many men as women there. Mrs. Young leaves five brothers in this neighborhood; John, Neal, Hen, Green and Eph Young and Fount Young, out west. To make it clear to all there are two sets of Youngs, in this place and Mrs. Young was a Young and married a Young, her husband being a brother of the late H. P. Young and an uncle of J. S. and G. W. Young. Mrs. Young had been a member of the Mt. Moriah Christian church about 55 years and there is where she was buried after appropriate services conducted by Rev. Long and Mr. McLary Monday afternoon.

Lost Their Twin Babies

On last Saturday the remains of beautiful twins of Mr. and Mrs. Ollie Baugh, of Detroit, were buried at Highland. It will be remembered that Mrs. Baugh was formerly Miss Susie Butt, of Crab Orchard and Highland. The infants who names were Sherley William and Virginia Irene, were born Oct. 25, in Detroit, the boy was born dead, and the girl lived only a few hours. The remains were shipped to Mr. Butt at Crab Orchard and they were brought here for burial. Mr. and Mrs. Baugh have many friends here who assure them their deepest sympathy in this grief giving up their first born. But this should not be a deep grief to them, rather a comfort to know they have such strong ties to a better world to lead them on to the same place.

Mr. Ben Chestnut, wife and baby, who attended their grandmother's funeral have returned to Somerset.

Quite a number of the people here are attending the revival at Hall's Gap. Many of our Methodists think that as great a compliment as they can pay to them is to say it is

This Perfect Laxative

DR. CALDWELL'S SYRUP
PEPSIN AN IDEAL REM-
EDY FOR CONSTI-
PATION

In every family there is more or less occasion for a laxative remedy. It is to meet this need that Dr. Caldwell's Syrup Pepsin is prepared, and that this combination of simple laxative herbs with pepsin fulfills its purpose is proven by its place in thousands of American homes.

Prof. F. J. C. Herzog, the well known linguist, 2341 North Orianna St., Philadelphia, Pa., wrote to Dr. Caldwell, that he has used Dr. Caldwell's Syrup Pepsin in his household with excellent results and that he and his family consider it indeed a friend in need, and always keep a bottle of it on hand.

Constipation is the direct cause of much serious illness and is a condition that should never be neglected. Harsh cathartics and violent purgatives should never be employed to relieve constipation because the very violence of their action shocks the entire system. A mild laxative, such as Dr. Caldwell's Syrup Pepsin is far preferable, being mild and

gentle in its action, without griping or other pain or discomfort; its freedom from all opiate or narcotic drugs makes it an ideal remedy for children. Dr. Caldwell's Syrup Pepsin is sold in drug stores everywhere for fifty cents a bottle. To avoid imitations and ineffective substitutes, be sure to get Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Democratic TicketFor President—Woodrow Wilson.
For Vice President—Thomas R. Marshall.
For Congressman—Harvey Helm.**Alone With Your Conscience.**

Mr. Voter, you are to choose whether you will go forward with Wilson—who

Kept you out of war;
Prepared you against war;
Worked for you and yours;
Ended Wall Street's rule;
Liberated honest business;
Made lasting property possible;
Kept faith with labor
Lifted the farmer's mort-

gage;
Freed the child;
Kept all his promises:

OR
Undo Wilson's deeds, go backward with the candidate of the Old Guard and Wall Street, and take a chance on plunging us into war with Roosevelt or Hughes?

You are working instead of fighting.

WILSON'S THE MAN.

Another Republican Argument
The Chicago Tribune, Hughes' greatest supporter, has a long article in its issue of October 25 about the increased of living, which, it says, "has all occurred within the last year or so,—since the advent of the Democratic National Administration."

"From South Water street," says the Tribune, "comes the gloomy information that merchants expect to retail turkeys at thirty-five cents per pound this winter. A tremendous turkey shortage is in prospect and Chicagoans will be obliged to celebrate the holidays with other kinds of meats. Last year turkeys were twenty-eight cents a pound and two years ago they were about twenty-

five cents."

By continually quoting from The Tribune, it is not meant to impugn its Republicanism at all; but it is done because its columns furnish the most characteristic, the most typical, in fact the "beau-ideal" of Republican arguments this year. As its allegation that the horses furnished by the government for the troops on the border did not fit the harness was the best of Democratic mismanagement of Democratic incompetence, so the above quotation is the best and most characteristic sample of Republican argument of Democratic mismanagement.

It has not yet reminded its readers that there were more South American hurricanes during Wilson's administration than occurred in Taft's and Roosevelt's administration combined. It is believed that it is holding this back as the last tick in the fight.

What Taft Said About Wilson.

When every republican speaker is doing everything in his power and using every term in his vocabulary to belittle President Wilson and his foreign policy and his efforts to keep this nation at peace with the world, simply because the republicans want the jobs, it is interesting to note what that great republican ex-President William Howard Taft said of Wilson and his foreign policies at a time when no political campaign was on and Taft was viewing things in the light of a statesman and not of a partisan politician. Read this:

In regard to neutrality Taft said to the Providence (R. I.) chamber of commerce Oct. 16, 1914:

President Wilson's attitude on neutrality has been most admirable, and the force of his plea for it was accentuated by its simplicity and directness. The stand he has taken will be for the good of the whole wide world when the time comes for meditation.

On Feb. 13, 1915, Taft commented on foreign notes as follows:

I have read the texts of the two messages, and I was very, very glad to see that they have been forwarded to London and to Berlin. I regard the notes as clear, dignified and emphatic.

Taft has said in regard to the war:

We are fortunate in having kept out of the present European war, and we ought to support the administration in keeping us out. (Taft, before the Congregational club, Chicago, Nov. 19, 1914.)

If we had a jingo in the White

house this country would now be at war with Germany. Instead, our

chief executive is a man who ap-

preciates his responsibility and realizes that, considering the tem-

per of the people, a turn of his hand would plunge us into an in-

ternational conflict. (Taft, at Bryn

Mawr, Pa., June 4, 1915.)

No wonder so many Republicans

are going to vote for Wilson, when a

great Republican president like Taft

endores Wilson that way.

One last word to the Democrats of Lincoln county: Go to the polls early and hit'er right under the rooster for Wilson, Helm and the whole ticket. A vote in the circle votes for Wilson and them all. See your neighbor and urge him to go with you. Let's put Lincoln back where she belongs. A 300 majority Tuesday for Democracy can easily be secured if every democrat will do his duty.

DOUBLY PROVEN

Stanford Readers Can No Longer Doubt the Evidence.

This grateful citizen testified long ago.

Told of quick relief—of undoubtedly benefit.

The facts are now confirmed.

Such testimony is complete—the evidence conclusive.

It forms convincing proof of mer-

it. John T. Barnett, carpenter, Row-

land, Ky., says: "I used many kid-

ney medicines but Doan's Kidney

Pills were the only ones that gave

me lasting benefit. My work calls

for heavy lifting and much stooping.

This weakened my kidneys and

caused attacks of lumbago and a se-

vere ache across the small of my

back. I also had other annoyances,

caused by weak kidneys. When

Doan's Kidney Pills were brought to

my notice, I procured a supply at

Shugars' & Tanner's drug store and

began their use. The relief was

prompt and since taking this med-

icine I have been well."

OVER THREE YEARS LATER

Mr. Barnett said: "Doan's Kidney

Pills did me more good than any-

thing else I ever used. I am pleased

that realization of their dis-

graceful condition will prove

one of great blessing in a com-

plete and enduring refor-

mation in faithful abstinen-

ce for ever and ever."

Girls! Have Wavy, Thick, Glossy Hair Free From Dandruff

Save Your Hair! Double Its Beauty In a Few Moments —Try This!

If you care for heavy hair that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Dandrine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome, it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25-cent bottle of Knowlton's Dandrine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Dandrine. If eventually—why not now?

Mrs. S. L. Burdette went to Junction this afternoon to attend the bedside of her relative, Mrs. J. A. Evans.

High School News

(By John Reid McKinney.)

Two months have been passed at the school now and everything is in first class running order. The recently mentioned house-cleaning has proven to be very successful and already the old desks have changed their looks considerably and when a coat of varnish is added they will look almost as good as new ones. The chapel is looking especially nice. The pupils of each room having gone over their section of the seats with hot water and soap and washed off every mark and blemish of any kind.

The Mozart Club will give a Victrola Recital in the graded school auditorium, Friday evening, November 10th. The proceeds will be used for the Victrola fund.

The witches left many traces of a visit at the school on Hallowe'en night. Several of their mysterious pranks were played. An old farm wagon, together with some other things were at the school the following morning. But the most mysterious of all mysteries was the presence of a cow in the building. "Old Brindle" was found Wednesday morning in the high school room of Miss Walker, where she had evidently spent a good part of the night.

DANGERS REAL AND FANCED.

The average woman will scream with terror at the sight of an innocent little mouse, and then complacently sit down and suffer in silence with diseases that are destroying her youth, her beauty, her very life.

She will uncomplainingly resign herself to the woes and miseries of female troubles, which are to be dreaded a thousand times more than a tiny mouse. It is gratifying to know that untold numbers of women are being restored to perfect vigor and strength by Dr. Pierce's Favorite Prescription. It benefits uterine disorders. The exact name of the disease doesn't amount to a row of pins. If it is in the womanly organs, "Favorite Prescription" will hunt it out and benefit it.

It can be a drain, a pain, an inflammation, an irregularity or a weakness, and this medicine will act as a true tonic and help restore the organs to healthy action. It prepares the girl to become a woman, the wife to become a mother, the middle-aged to pass the "turn of life" in safety. It is not a "cure-all" but a medicine for women only, and is the prescription of Dr. Pierce, Buffalo, N. Y., the world-famed specialist in the treatment of disorders of women. Any reader of this paper may consult Dr. Pierce free by mail.

Covington, Ky.—"I had 'Favorite Prescription' recommended to me. I had to overcome some conditions of nervousness and was run down. When I began using 'Favorite Prescription' I lacked ambition and strength. I used two bottles and it proved a strengthening and in every way beneficial medicine." Mrs. MOLLIE KENYON, 1338 Greenup St.

We have just received from the Wooltex Factory Sixty of their Latest and Best Styles and Finest Tailored Suits in Gabardines, French Velours, Whip Cords, Poplins, Bedford Cords, Serges and the much-wanted Velour Checks, which we have placed on sale at

CHOICE FOR \$25.00

Most of these are Navy Blue and Black, with a few Browns and Greens, mostly one of a kind.

So come quickly if interested. The regular prices of these suits are \$29.50, \$32.50, \$35.00 and \$40.00.

EXPLANATORY:

When we make a statement like this at a time of the greatest scarcity ever known of materials and with the prices of all fabrics advancing almost daily, we think it needs to be explained how and why we do it.

Each year the great WOOLTEX factory accumulates a great many small lots of their fine All Wool materials—enough of each to make a few suits, but not enough to put on their lines.

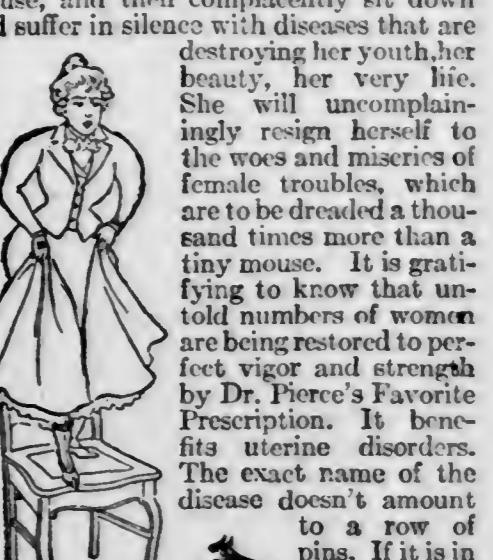

So to clear these lots out and also to give the many Wooltex stores a chance to offer their customers something extra, they make up these cloths into their most saleable styles and divide them among the Wooltex stores at a very low price. We secured sixty suits this time and that is why we can sell you a \$35.00 Wooltex Suit for \$25.00.

SHIRT WAISTS

We have just received many delayed shipments of fine Shirt Waists and now have a superb collection of Georgette and Crepe de Chine Waists in White Flesh, Brown, Navy, Plum, Black, Burgundy, Etc., at \$3.50, \$5, \$6, and on up to \$12.50.

MORELAND SCHOOL NEWS

"Apple Day" was justly ob-
served Oct. 17th. It has been
proposed that everyone eat an
apple on that day by the over-
seers of health, so a special
privilege was given the stu-
dents at chapel on that morn-
ing and 90 apples were soon
consumed. A talk was made
by the teacher on the impor-
tance of protecting the apple
tree and bringing back to for-
mer standards the old forsaken
orchards that our grandfa-
thers took so much pride in
many years ago. The pupils
were greatly enthused and
with the help of grafting which
has been taught in their agri-
culture class, hope to make an
improvement in the apple. This
motto was adopted "Health's
best way; eat an apple every
day."

The teachers and pupil are
truly thankful for the excellent
new desks which have been in-
stalled in our school.

Let all the teachers in Division 4 not forget the Teachers' Association which will be held here on Nov. 4th, beginning promptly at 2 P. M. We hope this will be one of the best meetings that has ever been held in this division and it can only be made that way by the help and presence of every

AN AGED WOMAN

Tells How Vinol Made Her Strong

In her eighty-second year Mrs. John Wickersham, of Russellville, Pa., says: "I was in a run-down, feeble condition and had lost flesh. A neighbor asked me to try Vinol, and after taking two bottles my strength returned; I am gaining in flesh, it has built up my health and I am feeling fine for a woman of my age, so I get around and do my housework."

The reason Vinol was so successful in Mrs. Wickersham's case was because it contains the very elements needed to build her up.

Several Pets Killed at Crab Orchard—East End Items.

Crab Orchard, Nov. 3.

Another mysterious slayer of canines is going on in our town. Several have lost very valuable dogs and are much troubled about it. Mr. Wood Peters has lost his second fine Shepherd, which he valued high.

A clipping from a Davenport Washington Daily, in speaking of the death of Judge Nathan T. Caton, speaks of his prominence in the formation of Washington and Oregon many years ago and says he was one of the most prominent figures in political and judicial life. He represented the state of Washington in the legislature for many years. In Walla Walla he was editor of the Evening Statesman, which position he held for several years. In 1880 as Prosecuting Attorney he went to Lincoln county to fill out the unexpired term of a prominent attorney to which position he was elected for three consecutive terms, ranking as one of the greatest criminal lawyers of the state; was a member of Knights of Pythias in Washington, a Royal Arch Mason

"Only 'Gets-It' for Me After This!"

It "Gets" Every Corn Every Time. Painless. Nothing More Simple.

"I'll tell you what. I've quit using toe-eating salves for corns. I've quit making a package out of my toes with bandages and contraptions—quit digging with knives and scissors. Give me 'GETS-IT' every time!"

When You See These Pretty Girls in Your Druggist's Window It's a Good Time To Eat Your Corn.

That's when they all eat the very first time they eat the "GETS-IT." It's because "GETS-IT" is so simple and easy to use—put it on in a few seconds—because there is no work or corn peeling to do, no pain that shoots out your heart, no getting your corns off your mind. All the time it's working—and then, that little old corn peels right off, leaves the clean, corn-free skin underneath—and your toes is never. No wonder girls prefer "GETS-IT." It's sold and recommended by druggists everywhere, 25¢ a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.

Sold in Stanford and recommended as the world's best corn remedy by The Lincoln Pharmacy and The Penny Drug Store.
